

# Logstore for Solus stoves

Enhance your cozy ambiance with our optional logstore, designed to fit seamlessly beneath your electric stove. Not only does it add a stylish, rustic touch to your space, but it also provides practical storage for logs or other decorative items, giving your room a warm, inviting look. Crafted with durability in mind, this logstore is the perfect companion for your stove, helping you create the ultimate hearth experience. Transform your home with ease—where function meets elegance.

The logstore fits under the Horizon, Solano and Bassington.
